

## 1st Dr SS Badrinath Memorial Scientific Session - March 23, 2025

### ORAL PRESENTATIONS - ORIGINAL RESEARCH

Time	Abstract ID	Title of presentation	Category	Name of the presenter	Final Decision
11:10	107	Prevalence of ocular morbidity among school going children in the age group of 6-16 years.	Regular	Ms. Sneha Jitendra Khubani	Oral
11:22	109	OCI's Myopia Awareness Campaign for Children and Families: Promoting Myopia Awareness for Better Long-Term Eye Health	Regular	Ms. Harshada Kale	Oral
11:34	111	Evaluation of basic indicators by Pentacam tomography after different types of LASIK in soft contact lens wearers	Regular	Prof. Kriti Mitra	Oral
11:46	115	Clinical Outcomes and Indications of Prosthetic Replacement of Ocular Surface Ecosystem (PROSE) Lenses: A retrospective study.	Regular	Mr. Sayak Banerjee	Oral
11:58	116	AnteriStill: A Mobile App for Enhanced Anterior Segment Photography	Student	Mr. Ayan Das	Oral
12:10	124	Determination of Inter-examiner Variability During Manual Phoria Assessment	Regular	Ms. Sayantika Chakrabarti	Oral
12:22	129	Comparative Analysis of Different Types of Visual Acuity Measures and Associated Reaction Times Across Retinal Eccentricities in Normal Subjects	Regular	Mr. Subrato Mondal	Oral
12:34	138	Knowledge, Attitude, and Binocular Vision Practice Among Practicing Optometrists in India	Regular	Mr. Sourajit Kumar Banerjee	Oral
12:46	140	Profiling of Pediatric Refraction and Spectacle Dispensing Services in Optometry Practices and Opticals in India - A Survey-based Study	Regular	Ms. Kalaiyarasi Dhandapani	Oral
12:58	141	Comparison of Accommodative Response Measurement Using an Open-Field Autorefractor and the Monocular Estimation Method	Regular	Ms. Palla Deepika	Oral

### ORAL PRESENTATIONS - CLINICAL RESEARCH

Time	Abstract ID	Title of presentation	Category	Name of the presenter	Final Decision
11:10	112	Tuberculosis Retinitis	Regular	Mr. Mohanraj. V	Oral
11:20	114	Intermittent Divergent Squint in an Aged Patient: clinical findings and management for the primary eye care practitioner- A Case Report	Regular	Ms. Nandita Barman	Oral

11:30	118	A case of Non arteritic ischemic optic neuropathy with Pseudo-Foster kennedy syndrome.	Regular	Ms. Anitha.C	Oral
11:40	119	The view from my eyes.....Story of a young Ophthalmologist	Regular	Ms. Debalina Guchhait	Oral
11:50	123	Corneal foreign body may be the cause of fungal corneal ulcer: Case study	Student	Ms. Samriddhi Sarkar	Oral
12:00	125	Role of Multicolour Imaging as a Complimentary Tool in the Diagnosis of Glaucoma in Early Stage	Regular	Mr. Sayantan Sengupta	Oral
12:10	128	A case report on Stevens Johnson syndrome	Regular	Ms. Swetha Pooja P	Oral
12:20	130	Myopia progression and axial length stability: A case report on treatment modalities	Regular	Ms. Nandhini C	Oral
12:30	132	Restoring Vision Restoring Hope - Scleral Contact Lenses in Pellucid marginal Degeneration - a Case Series	Regular	Ms. Trisha Bhowmik	Oral
12:40	133	Scleral Lenses In The Management Of Post Penetrating Keratoplasty Astigmatism - A case Report	Regular	Ms. Trisha Bhowmik	Oral
12:50	136	A child with keratoconus was misdiagnosed as amblyopia	Regular	Ms. Priya Dutta	Oral
13:00	139	Application of prosthetic soft contact lens for band shaped keratopathy post trauma	Regular	Ms. Sonia Samadder	Oral

## 1st Dr SS Badrinath Memorial Scientific Session - March 23, 2025

### E-POSTER PRESENTATIONS - ORIGINAL RESEARCH

Time	Abstract ID	Title of presentation	Category	Name of the presenter	Final Decision
13:15	104	Variation in sitting posture in corrected and uncorrected refractive errors	Regular	Ms. Ragavi	Poster
13:20	106	Prevalence of Colour Vision Defect and Its Relation with Amblyopia and Refractive Error in School Going Children (6-16 Years).	Regular	Ms. Sneha Jitendra Khubani	Poster
13:25	108	Prevalence of myopia, its association with obesity and its impact on academic performance among the school going Children in Jharkhand.	Regular	Mr. Vivekanand	Poster
13:30	117	Translation and Validation of the Bengali version NEI VFQ-25: A Pilot Study	Student	Mr. Ayan Das	Poster
13:35	120	Is the 20-20-20 rule effective on accommodative parameters?	Regular	Mr. J Sachin Singh	Poster
13:40	121	The Effect of 20-20-20 Rule on Computer Users' Refractive Status Measured Using Duochrome Test	Student	Mr. Prajwal KP	Poster
13:45	131	A Comparative Analysis of Pre and Post Operative Corneal Curvature and Refractive characteristics after frontalis sling Ptois surgery	Regular	Ms. Nisha Jha	Poster

### E-POSTER PRESENTATIONS - CLINICAL RESEARCH

Time	Abstract ID	Title of presentation	Category	Name of the presenter	Final Decision
13:50	134	Rho Kinase Inhibitor-Induced Honeycomb Keratopathy	Regular	Ms. Manisha Bagri	Poster
13:55	137	Abnormal head posture in a child following unilateral lid coloboma repair	Regular	Ms. Priya Dutta	Poster
14:00	142	Mobius Syndrome: A case report	Regular	Ms. Debjani Roy	Poster
